This matter is before the Court upon the motion of Gary Haralson (registration no. 522942) for leave to commence this action without payment of the required filing fee [Doc. #2]. The Court finds that plaintiff does not have sufficient funds to pay the entire filing fee; the Court will not assess an initial partial filing fee at this time. See 28 U.S.C. § 1915(b)(1). Furthermore, based upon a review of the complaint, the Court finds that the complaint should be dismissed pursuant to 28 U.S.C. § 1915(e)(2)(B).

Pursuant to 28 U.S.C. § 1915(b)(1), a prisoner bringing a civil action in forma pauperis is required to pay the full amount of the filing fee. If the prisoner has insufficient funds in his or her prison account to pay the entire fee, the Court must assess and, when funds exist, collect an initial partial filing fee of 20 percent of the greater of (1) the average monthly deposits in the prisoner's account, or (2) the average

monthly balance in the prisoner's account for the prior six-month period. After payment of the initial partial filing fee, the prisoner is required to make monthly payments of 20 percent of the preceding month's income credited to the prisoner's account. 28 U.S.C. § 1915(b)(2). The agency having custody of the prisoner will forward these monthly payments to the Clerk of Court each time the amount in the prisoner's account exceeds \$10, until the filing fee is fully paid. Id.

A review of plaintiff's account information indicates that he has no funds in his prison account. As such, the Court will not assess an initial partial filing fee at this time.

28 U.S.C. § 1915(e)

Pursuant to 28 U.S.C. § 1915(e)(2)(B), the Court may dismiss a complaint filed in forma pauperis if the action is frivolous, malicious, fails to state a claim upon which relief can be granted, or seeks monetary relief against a defendant who is immune from such relief. An action is frivolous if "it lacks an arguable basis in either law or in fact." Neitzke v. Williams, 490 U.S. 319, 328 (1989). An action fails to state a claim upon which relief can be granted if does not plead "enough facts to state a claim to relief that is plausible on its face." Bell Atlantic Corp. V. Twombly, 127 S. Ct. 1955, 1974 (2007).

In reviewing a pro se complaint under § 1915(e)(2)(B), the Court must give the complaint the benefit of a liberal construction. Haines v. Kerner, 404 U.S. 519, 520 (1972). The Court must also weigh all factual allegations in favor of the plaintiff, unless the facts alleged are clearly baseless. Denton v. Hernandez, 504 U.S. 25, 32-33 (1992); Scheuer v. Rhodes, 416 U.S. 232, 236 (1974).

The Complaint

Plaintiff brings this action pursuant to the Freedom of Information Act, 5 U.S.C. § 552 (the “FOIA”). Named as defendants are James Stoverink, Candace Kirksey, and Evelyn Taylor. Plaintiff alleges that defendants have improperly withheld his military records, which he needs in order to submit an “evidentiary claim to change [] his military record, which is erroneous.”

Discussion

The FOIA only applies to “agencies.” 5 U.S.C. § 552(a). To be an “agency” under the FOIA, an entity must be an “establishment in the executive branch.” 5 U.S.C. § 552(f)(1). None of the defendants are “agencies” under this definition. As a result, the complaint will be dismissed, without prejudice, for failure to state a claim upon which relief can be granted. 28 U.S.C. § 1915(e).

Accordingly,

IT IS HEREBY ORDERED that plaintiff's motion to proceed in forma pauperis [Doc. #2] is **GRANTED**.

IT IS FURTHER ORDERED that the Clerk shall not issue process or cause process to issue upon the complaint because the complaint is legally frivolous and fails to state a claim upon which relief can be granted.

An appropriate Order of Dismissal shall accompany this Memorandum and Order.

Dated this 10th Day of March, 2009.

/s/ Jean C. Hamilton
UNITED STATES DISTRICT JUDGE
